“Academic freedom is not a luxury or a special privilege. It is the necessary foundation of our educational system, one of the essential building blocks of our free society.”

—Joan Wallach Scott

General Fund — Donations to the general fund allow the Foundation to direct funds wherever they are needed, enhancing our ability to maintain current projects as well as take on new ones with the knowledge that we will have the funding to see them through.

Academic Freedom Fund — Supports academic freedom through research, publication, and direct assistance to faculties and individual faculty members whose academic freedom has been threatened.

Contingent Faculty Fund — Supports work on issues of concern to contingent faculty through research, publication, leadership development and other assistance to faculty when need arises.

Legal Defense Fund — Provides financial assistance in legal cases at the trial and appellate levels that involve possible violations of AAUP policy and that have the potential of significantly impacting higher education

The AAUP Foundation is a 501(c)(3) tax exempt organization and is eligible to receive tax-deductible donations. Each donation is tax-deductible as and to the extent allowed under applicable law. Donations specifically earmarked to a restricted fund of the AAUP Foundation represent a donation to that fund.
